

INTERLACHEN 1975

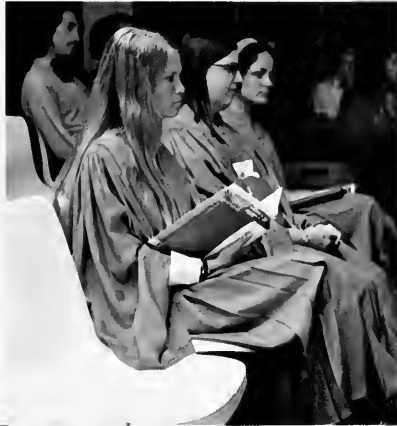

**WE COME  
WITH MIND AND SPIRIT**

When we came to Florida Southern College as students, in mind and in spirit we offered ourselves to this process called growth. But it was never meant as being developed into a stereotyped finish product. There is too much

of the individual involved, the individual with  
the right to determine the proper balance  
between the related and the relevant.

Every part of our campus expresses to at least one of us a lesson in life. It can be a classroom, a library, a hallowed walkway, or a favorite spot under a favorite tree.

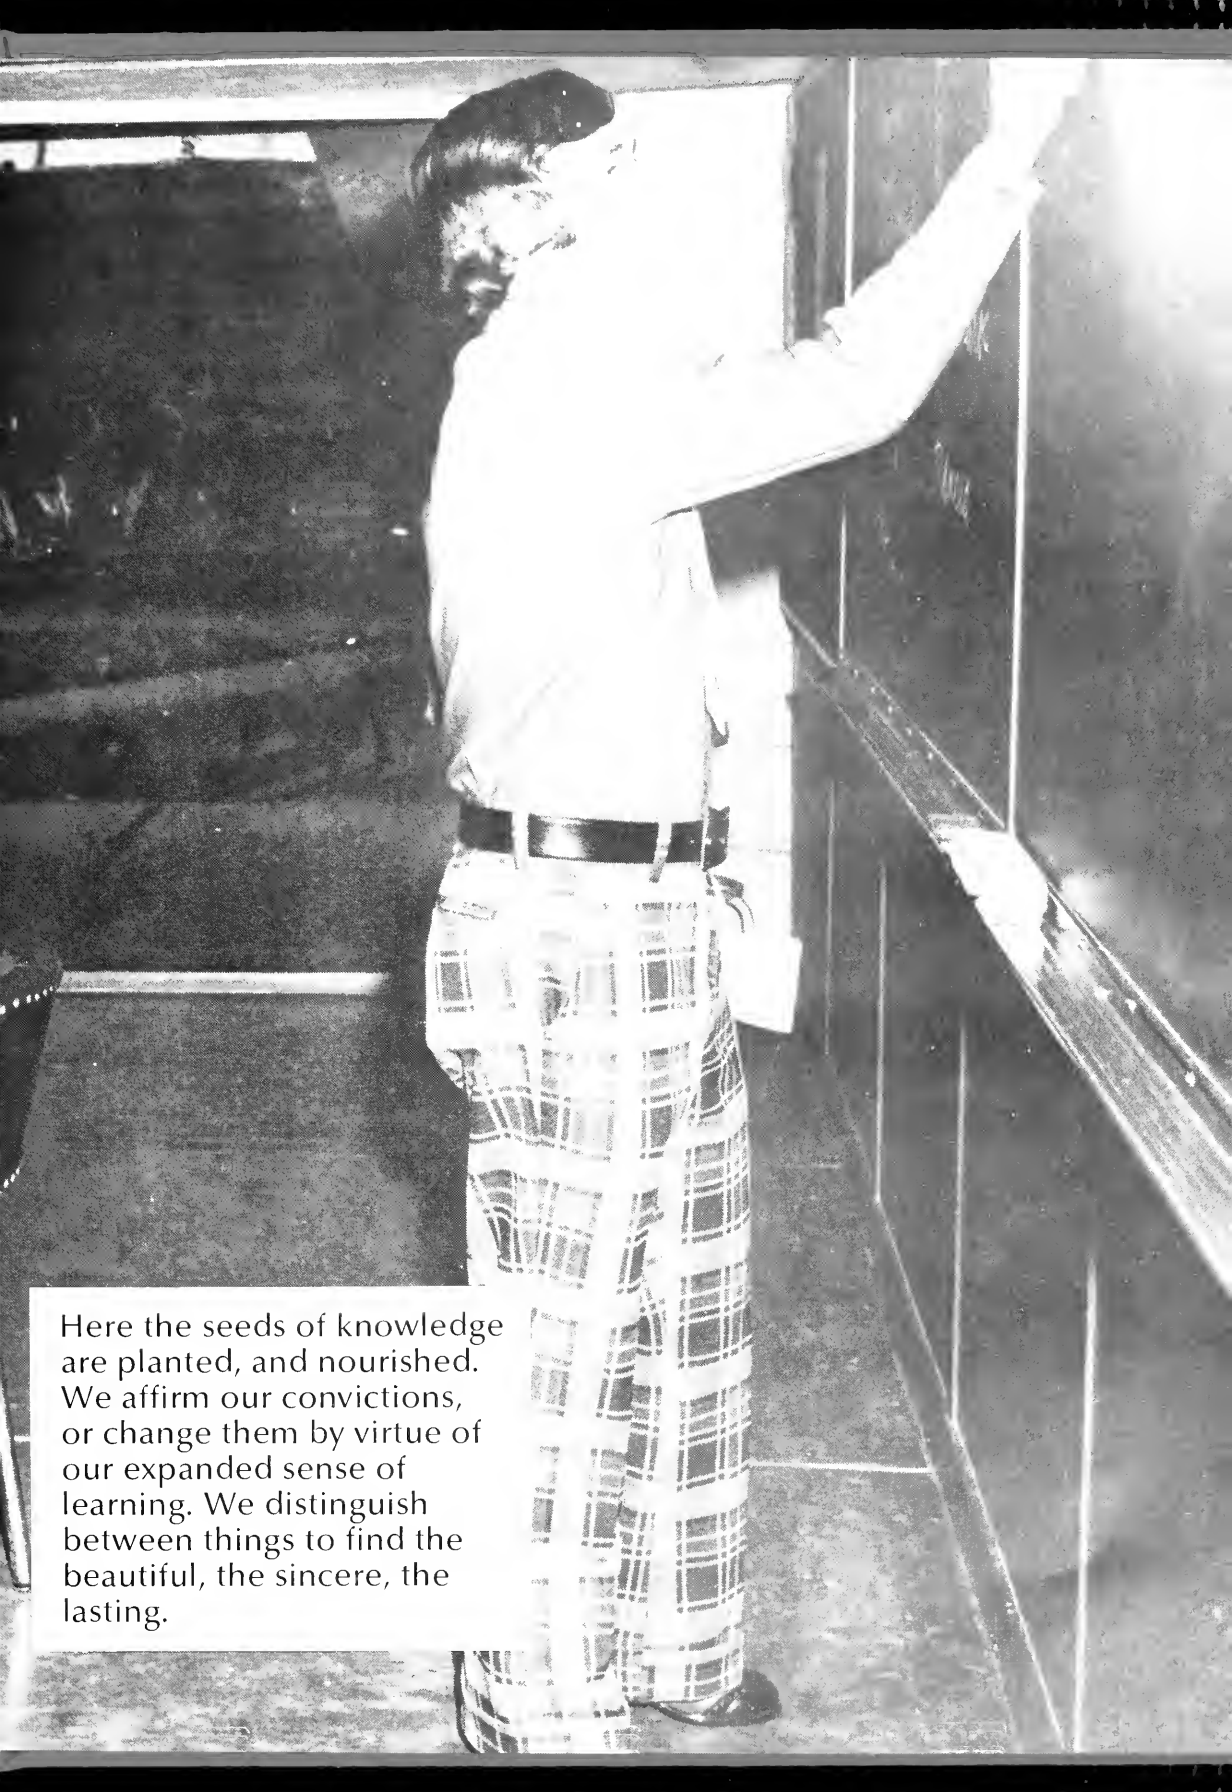

Here the seeds of knowledge  
are planted, and nourished.  
We affirm our convictions,  
or change them by virtue of  
our expanded sense of  
learning. We distinguish  
between things to find the  
beautiful, the sincere, the  
lasting.

In our growing we discover an expression of ourselves that permits enlarged dimensions if we continue to expand. Growing is life, and if nothing else, here we have been enriched by the opportunity.

## SOCCER

No wins, 11 losses, 1974 brought the first losing season for Head Coach Jim Bush in 18 years of coaching. It was the year when Florida's leading scorer for the past two years, Al Grossman, was moved to defense. It was a year when inexperience and a lack of teamwork hurt the team's chances for a winning season. It was a disappointing season for FSC's Soccer Mocs, although two players, Al Grossman and Tom Arthur, were named to the Florida Intercollegiate Soccer Conference All-Star Team.

## BASKETBALL

*With five good-looking prospects signed to scholarships and seven returnees from last year's squad, the 1974-75 Mocs hustled their way to another respectable basketball season, under Head Coach Jim Jarrett, and Assistant Bob Pachal.*

*The scoring was led once again by 6'9" senior, John Edwards, who was voted honorable mention in the UPI All-America poll in '73-'74. Other returnees were 6'4" senior Gary Meyer, 6'4" senior Alan Reed, 6'6" Bob Smith, and 6'3" Steve Utz. Also 6'1" junior Logan Brooks and 6'2" sophomore John Burd are returnees from last season.*

*Signed to scholarships from junior colleges were Peter Pullen and Dan Wright, both from junior colleges in Tenn. Signed from high school were Bill Chambers of Ocala, Marshall Lester of St. Petersburg, and Gerry Shipman of Tampa. Guard Mike Spatola, a transfer student who was ineligible to play last year, also provided much excitement while playing his first year at FSC.*

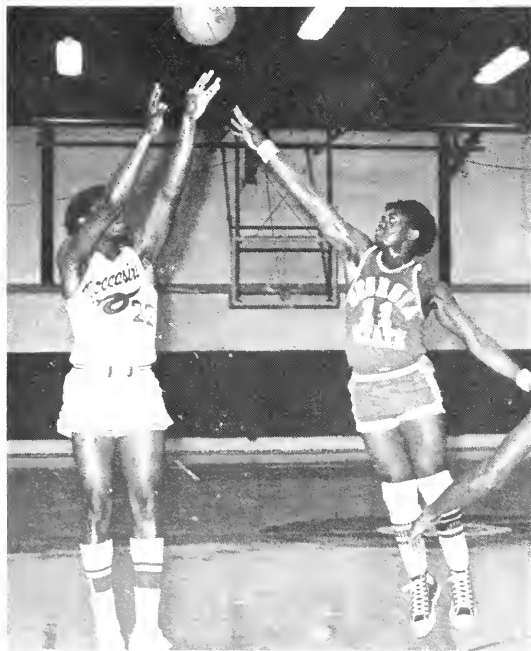

*The Mocs' 26-game schedule included games with eight major college teams and four others that made the NCAA national tournaments, including Clemson U. and Stetson U.*

## GOLF

Coach Charlie Matlock has nothing but praise for the efforts of his linksmen this season. He said that, although it is a young team comprised primarily of freshmen and sophomores, it is one of the best teams in the nation.

"We are better than most college division teams. This team has passed several more plateaus toward becoming a national champion," said Matlock.

Matlock cited the consistently fine play of his three returning starters from last year's team – Hal Sherran, Jay Allen and Jim Croley – as one of the main reasons for the success this year's team enjoyed. In 1974, the Mocs' golfers earned fifth place in the national tournament and this year's squad was out to better than accomplishment.

The team played in many fall tournaments including the Miami Beach Intercollegiate (finished sixth), the Fla. Intercollegiate Championship at Port Malabar (finished eighth), Lake Placid (finished fourth), and Dixie Classic at Callaway Gardens, Ga. (finished sixteenth, but still in front of all college division teams), tournament play was against much bigger schools.

# BASEBALL

Southern's baseball team was national champion in 1971-72 and regional champion in 1973. Last year was a difficult one for the Mocs as they finished with a record of 23-13 and many disappointments. But with 13 returning veterans. Coach Hal Smeltzly and his '75 Mocs were optimistic about their chances for post-season play this year.

"We have the talent and experience to take us to the regional as well as the national championship," Smeltzly said.

The team's strong point this season has been its experienced pitching staff with six returnees from last year. In the offensive department, the Mocs had a well-balanced attack throughout the lineup. Smeltzly relied heavily on shortstop Mark Hopper and right-fielder Frank Cacciatore to supply the offensive punch. Hopper, last year's Co-Most Valuable Player, hit .352 in '74 while leading the Mocs in hits and stolen bases. Cacciatore hit .306 and led the Mocs in home runs last year. He was also a member of the U.S. baseball team.

## TENNIS

*Men's and women's tennis teams looked promising as veteran players were bolstered by sharp newcomers at the start of the season.*

*Jeff Arthur headed the men's tennis, while Bunny Miller, a ranked Florida star, led the women.*

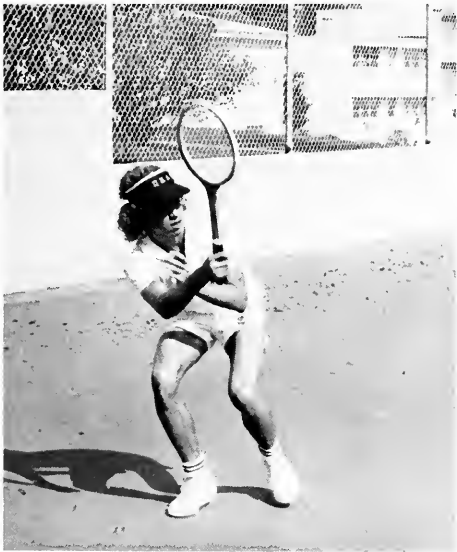

*Both coaches, although admitting they had tough schedules, were optimistic about Moccasin tennis. "We have a promising season ahead of us," they said. "We have a good group of returning veterans and a couple of good-looking newcomers on whom we are counting to take us to another successful year."*

## 1975 INTERLACHEN DEDICATION

*Margaret Gilbert has been a member of the faculty of Florida Southern College since 1954, and during those years has established a record of service to college and community.*

*Her honors and positions have been many and varied: named among "outstanding educators of 1971," member and past president of the Florida Academy of Science, member and past secretary of the Southeastern Association of Biologists and member and past president of the local chapter of the American Association of University Women, to name a few.*

*Despite all these activities that surely keep her busy, she also displays unrewardable attributes as professor and chairman of the Biology Department here at FSC.*

*She is admired as an interesting lecturer, capable of answering any questions brought to her. She can always be found in the greenhouse or labs, taking time to give outside help to students.*

*It is for these twenty-one years of caring, sharing, and unselfish devotion that we proudly dedicate this yearbook to -*
